

## How To Learn My Spellings

Here are some tips to help you learn your words:

**SAY the word** – say the syllables if there are more than one.

**STRETCH the word** – work syllable by syllable sounding out the word.

**SPLIT the word** – split the word into the different syllables if there are more than one.

**WRITE the word** parts you sound out, chunk it down into smaller parts.

**CLARIFY the word** – what does it mean?

**MAKE A SENTENCE** using your word – make it fun to help you remember the word.
